

THE VILLAGE AT ALAFAYA CLUB

Name _____ Phone _____

Building and Apartment _____ Birthday _____

I, the undersigned, hereby state:

1. I will always use Protective Eyewear. Use of the tanning bed without protective eyewear can cause early formations of cataracts and/or temporary or permanent blindness.
2. I have truthfully answered all the written questions with regard to the use of the suntan facility.
3. I have advised The Village at Alafaya Club LLC and its employees/personnel that I have no health problems or sensitivities which would prevent me from utilizing the ultraviolet facility provided.
4. I hereby release The Village at Alafaya Club LLC and its employees/personnel from any and all liability resulting from my use of the facility and assume all risks, known and unknown, in connection therewith.

I am of lawful age and have read and fully understand the contents of this document and represent myself as physically fit and capable of using the tanning facility provided to me.

Signature _____ Date _____

If under legal age, parent of guardian must also sign the consenting to the above.

DANGER, ULTRAVIOLET RADIATION

Follow these instructions:

- **Avoid frequent of lengthy exposure.**
 - As with natural sunlight, exposure can cause eye and skin or allergic reactions. Repeated exposure can cause chronic sun damage characterized by wrinkling, dryness, fragility and bruising of the skin or skin cancer.

- **Wear protective eyewear.**
 - FAILURE TO WEAR PROTECTIVE EYEWEAR CAN RESULT IN SEVERE BURNS OR LONG-TERM INJRY TO THE EYES.

- **Don't Sunbathe.**
 - Ultraviolet radiation from sunlamps will aggravate the effects of the sun. Therefore, do not sunbathe before or after exposure to ultraviolet radiation.

- **Beware of sensitivity.**
 - Using medications or cosmetics can increase your sensitivity to ultraviolet radiation. Consult a physician before using a sunlamp if you are using medications, have a history of skin problems, or believe you are especially sensitive to sunlight.
 - Women who are pregnant or on birth control that use this product can develop discolored skin.
 - IF YOU DO NOT TAN IN THE SUN YOU WILL NOT TAN BY USING THIS DEVICE!!

I have read and understand the warning statement and I agree to wear protective eyewear.
